This celebrated Lawn Grass is composed of a thoroughly balanced combination of various native and foreign, fine-cleaved deep-rooting grasses of interweaving habit, that flourish in various conditions of soils and climates, growing during different seasons of the year, so that a deep green and velvety sward is maintained all the year round, its constant luxuriance rivaling the famous lawns of England. PREFACE.

THE Sixth edition of the BLUE BOOK possesses some features which we trust will entitle it to retain the high place in public favor that has been accorded its predecessors. We desire especially to thank our lady patrons for their cordial appreciation of our efforts.

Neither time nor money has been spared to make this work as complete and valuable as possible. The difficulty attending the compiling of such a book can be easily appreciated; and we therefore trust that any omissions will be brought to our notice, that they may be corrected in future. We hope to make the BLUE BOOK as nearly perfect as it is possible to make such a volume.

We do not claim the BLUE BOOK is either a City Directory or absolutely an Elite Directory; neither do we pretend to pass upon the social or financial standing of the parties whose names are contained therein. It is simply a compilation of about four thousand names of the most prominent householders of Toronto, Hamilton and London, and numerous smaller towns, published in the most convenient form for reference by our lady patrons.

The title "BLUE BOOK" is given the work because of its blue cover. It does not refer to blue blood, as many people suppose. Webster's definition of Blue Book is as follows: "Blue Book—a book containing a list of fashionable addresses."

The data for this work have not been compiled from circulars or from other directories. Experienced men, particularly adapted for such work, have been assigned to each locality, and the greatest care has been used in selecting these names.

Please send any information you may have that will aid in keeping the records correct to Dau Publishing Co., 22 Toronto Street, Toronto, Ont.

“Tea tempers the spirit
And harmonizes the mind”

---Confucius

My, what a delicious tea !

☐ That is the opinion in substance of all who have drank a cup of RED ROSE TEA.

☐ It is a blend of rich Indian and flavory Ceylon teas carefully selected by the Red Rose expert tea testers who select only the choicest teas from hill-grown plants, so you can easily see why it has such a delightfully fragrant flavor.

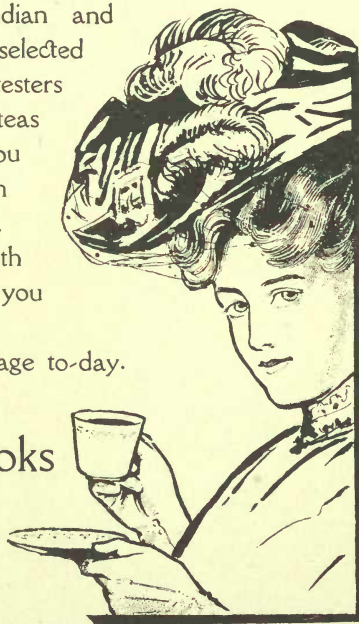

☐ You won't be satisfied with the tea you are using when you try RED ROSE TEA.

☐ Ask your grocer for a package to-day.

T. H. Estabrooks

Where Women May Rest

In the Retiring Room is a work table with mending basket and other home necessities, in charge of a maid. These conveniences have been instituted not only for the Toronto customers of the Crown Bank, but also that women from Out-of-Town may have the use of Resting and Retiring rooms while staying in the city.

The CHICKERING PIANO

Is the result of skill—inspired by a keen appreciation of the artistic and a desire to live up to an enviable reputation, directed by the latest scientific knowledge, and practical experience gained by over eighty years of piano building. The resulting excellence, both as to tone touch, and general staying power is the reason, and the only reason, for the uniformly high favor in which it is held in exclusive musical circles.

Elegant Gowns Preserved

¶ As a rule, the most elegant gowns have the shortest lives. ¶ But dusty floors and muddy streets present few terrors to the woman who knows of our establishment and understands its possibilities. ¶ Whether the soiled garment be a ball gown or a walking suit, a careful cleaning and pressing is almost sure to remove all traces of wear, and restore the original freshness. ¶ Everything, from the daintiest lace to the heaviest portieres, is successfully cleaned or dyed here

THERE IS NOTHING SINGULAR IN THE FACT THAT THE

HEINTZMAN & CO.

PIANO

Made by Ye Olde Firme of Heintzman & Co., Limited

Stands out distinctive from other Pianos. It is a distinctive production—
a Piano with an individuality of its own.

It is not put in comparison with other pianos. That would be un-
fair to other pianos. It is in a class by itself.

“I had not the slightest idea that such a magnificent instrument as
the Heintzman & Co. Piano was manufactured in Canada. It is easily
in the front rank of the leading pianos of the world.”

—*Nutini, the Celebrated Blind Italian Artist.*

THE OLD STORY

OF

Beauty's Fascination

Will be told and retold as long as there are men and women, and in what lies beauty so much as in a wealth of pretty hair? There is only one answer, and every woman knows it. Since nature has not dealt with every one alike, Art has taken her place most effectively, in supplementing the hair.

That is, Art in hair goods as found at

PEMBER'S

Where, with the aid of a magnificent *Pompadour Bang*, a rippling *Natural Wavy Switch*, a stunning *Semi-Transformation*, or a bewitching *Wave*, any woman's appearance can immediately be improved almost beyond belief.

Do us the favor to call, and we will demonstrate this in a few minutes in the seclusion of our private parlors.
